Part#	Product name	Application
AF series	Pin insert	AC-DC POWER SUPPLY
		Defence
		DUT board
		Education electronics
		In-flight entertainment and connectivity system
		LED backlight control board
		LED indicator, LED lighting Medical device
		Power module
		Pump control PWS Mainboard
		Radio
		sensor moduel of fuel tank cap for auotmobile
		Weaving machine
		Wireless Connection between
AG series	Vertical fitting mount for PCB	Car & Trailer QR code Scanner
		Semiconductor manufacturing
AGH series	Vertical fitting mount for PCB	equipment QR code Scanner
AP series	Spacer for PCB	Medical analyzer
		Medical device Welding machine
AT series	Terminal for adjustment part	Power supply testing equipment
ATSS series	Two sides adjusting terminal	Testing & Equipment
AV series	PCB vertical fitting clasp	QR code Scanner
		Radio
AW series	Terminal for aluminum board	Internal testing fixture repair use
AX series	Bracket for fitting PC board	Control equipped with campact
301103	ordenet for fitting PC bodiu	camera for Automation chair
		QR code Scanner Semiconductor manufacturing
		Semiconductor manufacturing equipment
BA series	(Vertical affixing) block	Automatic Train Control
		LED lighting
		Power control system
		Semiconductor manufacturing equipment
		Control equipped with campact
BB series	Fitting block for PCB	camera for Automation chair
		Medical device
		Power supply
BC series	Terminal stand for connector	Power unit for train Hi-Fi Audio Final Stage Power
BF series	Jack for soft plug	Amplifier
		Industrial motor control Inverter
BG series	Metal fitting for PCB	Electric Vehicle
BH series	Banana plug jack	Measurement device
BJ series BK series	Soft plug Terminal for Hybrid IC	Railway signal Automobile sensor
BN series	Banana plug	Cabel modem switch
BS series	Bush for insulation	Laser beam welding machine
		LED Lighting
BSF series	Bush	WELDING EQUIPMENT Counting machine
		Inverter (for air conditioner)
		LED Lighting
BX series	Terminal for fitting crimping terminal	
DX 3CTC3		Ground Communication
BZ series	Connector terminal block	Equipment (GCE)
CA series	Terminal for Hybrid IC	LED lighting, lighting
CB series	Terminal for Hybrid IC	AC backup source
		AC/DC module
		DC/DC converter
		LCD display
		Mobile printer
		New energy circulation testing
		system RF Module
		Test power module
CD series	Terminal for hybrid IC	Power
		Signal Lighting Tower
CE series	Contact point	Magnetic resonance power
		Supply Modical treatment aguinment
	Din for havingst-limit-limit	Medical treatment equipment
CG series	Pin for horizontal installation of coaxial cable for SMD	Car Audio
CH series	Terminal for Hybrid IC	DC/DC converter
CK series	Terminal for Hybrid IC	Sensor module(for car)
CN series	Wire crimping terminal for SMD	LED
CT series	Test point for checking	Chiller unit
		Industrial Monitoring
		Solar Inverter
		Thin Clinat terminal
		Thin Clinet terminal
CS series	Pin for reinforcing electric wire	Electric fishing reel
		Fishing reel
		Test Equipment Automatic feeding vibration
CW series	Heat-release sheet	plate
		Automatic Train Control
		Heat Pump
		Inverter (for air conditioner)
		Laser machine LED Lighting
		Power Tool Test & Measurement

Part#	Product name	Application
DA-8	Wire crimping terminal for SMD	LED products
DB-6 series	Wire crimping terminal for SMD	LED products
DC series	Two-tiered terminal	Detecting instrument Energy storage system
		Inverter
		LED indicator
		Music Instrument PCB layout
DG series	Two-tiered terminal	Temperature Controller Electronic PCB (power)
		Elevator Inverter
		Motor controller
DH series	Pin for SMD	Electric vehicle dc-dc conversion
		LED backlight control board
		Medical device
		Network
		Sensor board test machine
DHS series	Pin for SMD	Walkie Talkie Electricity metering
DH2 Selles	PIII IOI SIVID	Environment sensor
		Fiber optic
		Gas Sensor LED lighting
		Sensor / Detector Module
	e	Sensor, Secretor Module
DM series	Fixing terminal for wire cable band	LED products
	For two tioned inst-II-tif	Railway signal
DP series	For two-tiered installation of PCB	Electronic PCB (power)
EB series	Spacer (for LED)	Energy System EDM(Electric Discharge Machine)
EM series	Spacer of hollow shape for PCB	Printer
		Testing equipment
		resung equipment
EP series	Spacer for PCB	Entertainment machine
		Inverter
		Juki Knitting Machine Motor controller
		Power supply
		Semiconductor manufacturing equipment
		System Control Board
ER series	Spacer for PCB	UPS ATM
		Audio system
		Control board DC/DC converter
		Jig & Tool
		Monitoring system PCB for Milling machine
		Semiconductor manufacturing equipment
		Testing equipment
ERS series	Stainless steel spacer	Medical device
FF series	Parts relay terminal	Blood testing apparatus
FT series	Fluorine terminal	Blood testing apparatus
FX series	Super-small fluorine terminal	Clamp meter device
GA series	Shield case for Hybrid IC Connection terminal for surface	Polishing machine
HD series	mounting	Electric car
	- " - "	Scope
HDA series	Parallel connecting pin for SMD	LED products
		Security board
		Semiconductor testing Equipment Touch screen board
HDB series	Parallel connecting pin for SMD	IPC
		LED products
		Security board
		Semiconductor testing Equipment
		Touch screen board
HH series	SMD connector	PLCC for automotive
HH-1 series	SMD connector	Bluetooth reflector
		Medical device
HH-3 series	SMD power supply connector	CCD Moduel
HHO and a	Devalled to a section of the section	Robots DC Driver
HHO series	Parallel type male pin for SMD	CCD Moduel
HHP series	Jumper socket for surface mounting	Logger
HHY-1 series	SMD connection socket (horizontal)	GyroSensor Car
	,	Lamp for car
	Terminal (for hybrid IC)	Storage System CATV Filter PIN
HIC series	Terminal (for hybrid IC)	Storage System CATV Filter PIN PCB

Part#	Product name	Application
HK series	Test point	Aerospace
		Access control system
		Alarm
		Automatic devcie control
		Automatic feeder machine Automatic wrapping machine
		Banking machine
		Battery management system
		Base Station Base Station point to point communication
		devices Beauty device
		Blood Analyzer Machine
		Coaxial connector Control Board
		Control box
		Control equipped with campact camera for Automation chair
		Control PCBA for Semiconductor Equipment
		CPU board
		Currency recognition machine DC/DC converter
		Digital Camera
		Direct-coupled amplifier
		Distributed control system
		Electric motorcycle Electromagnet system
		Electronic power terminal
		Electronic sterilizer
		Electronic Toilets
		Elevator system
		Endoscopy Processor Endoscopy Processor
		Energy System
		Food Qualtity inspection equipment
		Flat panel detector
		HD converter board Healthcare
		Hearing Aid (glasses type)
		High Velocity (PRINT & RETAIL)
		Industrial computer PCBA Industrial Monitoring
		Industrial control
		Industrial printer
		Industrial server Inverter
		Inverter module
		IoT module
		Laser Distance Modules Medical device
		Microcomputer board
		Microcontroller
		Module for Control Panel Unit Motor controller
		MRI
		Multi-Function Printer
		Optical fiber fusion splicer
		Optical Telecommunication Device
		Optical transmission device PCBA
		PCBA for Automatic door for train platform
		Power Conditioning Systems
		Probe card
		Radar monitor Railway
		Screw feeder
		Security Camera
		Server
		Smart phone
		Solar Micro-inverters Soldering machine
		SSD test machine
		Street light
		Telecomunication Device Test board
		Tester
		Testing equipment Thin Clinet terminal
		Time of flight sensors
		Transmission & Distribution system
		Ultrasound system UPS
		Video Transmitter
		Washlet
		Welding machine Wire Bonder Machine
		Wireless harness
		X-ray circulation car

Part#	Product name	Application
HM series	Adjustment part terminal for SMD	Test Instrument
HO series	Clasp	Car Audio
no series	Clasp	Jogging shoes
		PLCC for automotive
HQ series	Connecting pin for SMD	5G network
		Air conditonor Automotive motor
		Bone density meter
		ePaper
		Game
		PCB design
		Power supply module
		Telecommunication
		UV LED DRIVER Ventilation System
HW series	Wraping terminal for SMD	Display panel Optical control
		<u>'</u>
HWC series	Wraping terminal for SMD	Electric Vehicle LED products
		Optical transmission device
		DC/DC converter
HWC-2-J	combination of HWC-2P-G and JS-2A	Jig for Semiconductor assembly
	+	Module
HWHP series	Wraping terminal for SMD	Energy Stoage System
		IOT Router
LIM/D and an	Was a rice to a rice I fee CMD	Mobile Phone camera test board
HWP series	Wrapping terminal for SMD	Alarm panel Automatic control
		Burn-in board
		Cable
		Communication Equipment
		CT scanner
		Desk Light
		Distributed control system
		Electric cabinet
		Electromagnet system Energy System
		Fiber optic communication
		Flash Lamp
		Game
		Gate driving PCB for IGBT Inverter
		LTE modem boards
		Medical device
		MRI system
		Railway PCB
		Power Control Modules
		Pressure measuring machines
		Screw feeder
		Sensor Soldering machine
		Task light
		Test board
		X-ray circulation car
HWRP series	Wrapping terminal for SMD (connected type) with placement pin	Semicon Test Equipment
HWWH series	Wrapping terminal for SMD	Street light
		Display panel
HZ series	Terminal for Hybrid IC(SMD)	Cable assembly
		Energy System
		Inverter
		Juki Knitting Machine
		Power control system Printer
		Semiconductor manufacturing
		equipment
JK series JP series	Jack for φ2 Jumper line	Medical Car Park system
ייי פרווקט	painper line	Escalator and elevator
		Inverter
		Lighting
		MES (Manufacturing Execution System)
		Medical Equipment
		Protection relay system
		Railway
JR series	Jumper line	Inverter LED lighting
		Power supply
		Vacuum Cleaner Aerospace-IFE system

	duct name	A
15 series Juli		Application Alarm panel
	nper socket	Auto control pump
		Cabin Electronics
		Cutting Machine
		Desk Light
		In-Flight Entertainment and

Mac8 adoption/inquiry example(By product)

Part#	Product name	Application
PM series	Socket for OW series	Meter Multi Sensor
		Power Control Modules
		Power device Printer
		Protection relay system
		Pump
		Railways Sewing machine
		Solar electric clock Test & Measurement
		Textile Equipment
		Weighting indicator UV LED DRIVER
		Electric vehicle dc-dc
PMW series	Socket for OWW series	conversion
		Inverter Locomotive high voltage
		power sensor Multi Sensor
PMW series	Socket for OWW series	Railways
		Router
		UV-LED
		Ultra low temperature freezer
		Water Treatment Monitoring System
PN series	Terminal for fixing climping-	Industrial equipment
	terminal	Test & measurement
PR series	Pipe socket	Transistor test block Test & Measurement
PTR-1	Test socket for power transistor	instrument
PV series	SMD terminal	Automation control Control panel
		Control panel
		DC source power supply meter
		Distributed control system
		Electric Vehicle
		Electric vehicle dc-dc
		conversion Electromagnet system
		Flowmeter
		Jig fixture
		LED lighting MRI system
		iviki system
		Outdoor Gateway
		Packaging
		Power supply
		Refrigerator
		Robot Arm
		Street light test machine
		Unified Controller
PW series	Bar for high current	UV LED DRIVER Heat Pump
		Industrial power supply
		Packaging
		Railway inverter Power Staion for Electric
		Vehicle Vehicle universal power
		module
PWA series	Mount of bar for high current	Industrial power supply
PWT series	Mount of bar for high current	Industrial power supply
PZ series	LED fitting bracket for panel	Data acquisition system
	······· 6 ··· F -····	Test & Measurement
RG series	LUG terminal	Flat panel detection shassis unit
		Ground wire
		Hi-Fi speaker Medical device(Dental device
RP series	Spacer of round shape	etc) Automotive Electric
RS series	Socket for electric wire	Transistor test block
SA series SB series	Check terminal for logic Check terminal for logic	SSD Test machine Endoscopes
SC-1-1A	Colored test point Fitting mount without hole for	Lighting
SF series	printed board	Energy System
SG series	Fitting mount without hole for printed board	Packaging
SK series	Side fitting pin	Testing equipment for high-
SN series	Screw for surface mounting	Induction Heater
SN SCIICS	Screw for surface mounting	UV LED DRIVER
SP series	Spacer for PCB	Alarm
		Audio system
		Automatic Train Control ATM
		Car sensor
		Energy System
		Inverter MES (manufacturing execution
		MES (manufacturing execution systems)
		Measurement device MRI system
		Power control board
	1	Power Control Modules
		Protection relay system
		Railways

Part# SQ series	Product name Spacer for PCB	Application Air conditioning
JQ JEHES	Spacer for PCB	ATM
		Audio system Battery pack module
		Communication Equipment
		Control board
		Control panel Controller Machine
		Electric Kettle Environment detector
		Elevator
		Face ID device Induction Heater
		Inverter (for air conditioner)
		Industrial control
		LED display
		Medical device
		Monitoring system
		MRI system Radar monitor
		Semiconductor manufacturing
		equipment
		S.P.S
		Temperature controller and
		display unit for tester
		Traffic light
		Unified Controller Video Transmitter
		Water pump system
		Welding machine
GQS series	Spacer for PCB	Inverter (for air conditioner)
		Precision machine
		Signaling screen for
		temperature and relative humidity
		Water pump system
SSB series	Spacer for SMD	Advertising panel
		AIR QUALITY MONITORING
		Alarm Audio device
		Automotive
		Communication Equipment
		Control system, control
		board(for Air condition etc.)
		Data Communications Equipment
		Digital microscopes Electric motorbike
		Elevator Emergency call and
		remote monitoring Emergency call
		Fiber optic Flow control device
		GPU and Server Boards GSM Emergency call
		Headset Control Unit
		Home automation system
		Identification
		Infusion Systems
		Image processing PCBA
		LCD display
		IoT module
		LED display
		LED Panel controller LED power source
		Laser Application
		Lighting
		Time of flight sensors
		Medical device Networking
		Optical Amplifiers Optical communication
		Optical platform
		Optical transmission device
		Railways
		Security device
		Semicon Test Equipment
		Server Swimming Pool Device
		Smoke System Controller
		nanel
		panel Test Equipment
5SF series	Spacer for SMD	
SSF series	Spacer for SMD	Test Equipment Tracking device for Truck

Mac8 adoption/inquiry exam Part#	Product name	Application
ST series	Test point for logic circuits	Bonding machine
		Broadcast system
		Burn in board Control board
		Detecting instrument Dimmer circuit board
		Electric vehicle dc-dc conversion
		Electronic scale
		Industrial Monitoring
		Inverter
		LED display Medical device
		Module for Control Panel Uni
		PCBA
		Power supply
		Protection relay system
		Robot arm Scope
		Server Solar Micro-inverters
		Solar PV system
		Temperature controller and display unit for tester
		Tester module
		Testing equipment
		Thin Client Terminal
		Wire Bonder Machine
SW series	Male spacer for SMD	Measurement Instrument
		Medical equipment Mobile Top up
	For insertion / removal of two-	Ocean bottom processing
SY series	tiered type	PCB board Evaluation
TH/THB/THC/THF series	Through Hole Tap	Air conditioning AIR QUALITY MONITORING
		Alarm
		Amplifier
		Anemometer
		Antenna
		Automation solutions
		Automation control Automotive computer
		Avionics AVG machine

		Validator Validation terminal
		Vending machine
		Vibration instrument Vibration instrument
		Water pump
		Water Treatment Machine
		WB Riedel Mod
		Weaving machine Wifi
		Wireless Connection between Car & Trailer
		Wireless digital video baby
TT series	Capacitor spacer	monitor Optical control
UB series	Short bar	Energy System
VB series	Spring probe for battery	Blood Analysis Equipment
VC-2-1	Switch probe	Battery ICT fixture
VCC-5	Head cover	Battery
		ICT fixture
VCE-1	Earth ring	Battery
VCS-1	Socket	ICT fixture Battery
VN series VNS series	Spring probe Spring probe	Aduio Equipment Game
VIVS Series	Spring probe	Hi-Fi Audio Final Stage Power
		Amplifier
WC series	Wraping terminal for THT	Medical device
WC series		
WC series WN series	Wraping terminal for THT Flat washer for insulation (nylon)	Medical device Motor control board
	Flat washer for insulation (nylon) Wrapping terminal for angle	Medical device Motor control board Industrial equipment
WN series	Flat washer for insulation (nylon)	Medical device Motor control board Industrial equipment PCB for Milling machines
WN series WCAW series	Flat washer for insulation (nylon) Wrapping terminal for angle connected type	Medical device Motor control board Industrial equipment PCB for Milling machines Controller
WN series WCAW series WG series	Flat washer for insulation (nylon) Wrapping terminal for angle connected type Washer	Medical device Motor control board Industrial equipment PCB for Milling machines Controller UPS Analytical Instruments Automatic door
WN series WCAW series WG series	Flat washer for insulation (nylon) Wrapping terminal for angle connected type Washer	Medical device Motor control board Industrial equipment PCB for Milling machines Controller UPS Analytical Instruments
WN series WCAW series WG series	Flat washer for insulation (nylon) Wrapping terminal for angle connected type Washer	Medical device Motor control board Industrial equipment PCB for Milling machines Controller UPS Analytical Instruments Automatic door Burn-in board
WN series WCAW series WG series	Flat washer for insulation (nylon) Wrapping terminal for angle connected type Washer	Medical device Motor control board Industrial equipment PCB for Milling machines Controller UPS Analytical Instruments Automatic door Burn-in board Electronic game machine Electronic power terminal Energy System
WN series WCAW series WG series	Flat washer for insulation (nylon) Wrapping terminal for angle connected type Washer	Medical device Motor control board Industrial equipment PCB for Milling machines Controller UPS Analytical Instruments Automatic door Burn-in board Electronic game machine Electronic power terminal
WN series WCAW series WG series	Flat washer for insulation (nylon) Wrapping terminal for angle connected type Washer	Medical device Motor control board industrial equipment PCB for Milling machines Controller UPS Analytical Instruments Automatic door Burn-in board Electronic game machine Electronic power terminal Energy System IC Test Load Board Massage machine Medical device
WN series WCAW series WG series	Flat washer for insulation (nylon) Wrapping terminal for angle connected type Washer	Medical device Motor control board Industrial equipment PCB for Milling machines Controller UPS Analytical Instruments Automatic door Burn-in board Electronic game machine Electronic power terminal Energy System IC Test Load Board Massage machine Medical device POS system POwer system
WN series WCAW series WG series	Flat washer for insulation (nylon) Wrapping terminal for angle connected type Washer	Medical device Motor control board Industrial equipment PCB for Milling machines Controller UPS Analytical Instruments Automatic door Burn-in board Electronic game machine Electronic gower terminal Energy System IC Test Load Board Massage machine Medical device POS system Power system Protection board for Power
WN series WCAW series WG series	Flat washer for insulation (nylon) Wrapping terminal for angle connected type Washer	Medical device Motor control board Industrial equipment PCB for Milling machines Controller UPS Analytical Instruments Automatic door Burn-in board Electronic game machine Electronic power terminal Energy System IC Test Load Board Massage machine Medical device POS system Protection board for Power relay Refrigerator
WN series WCAW series WG series WL series	Flat washer for insulation (nylon) Wrapping terminal for angle connected type Washer Wrapping terminal for THT	Medical device Motor control board Industrial equipment PCB for Milling machines Controller UPS Analytical Instruments Automatic door Burn-in board Electronic game machine Electronic power terminal Energy System IC Test Load Board Massage machine Medical device POS system Protection board for Power relay Refrigerator Robot
WN series WCAW series WG series	Flat washer for insulation (nylon) Wrapping terminal for angle connected type Washer	Medical device Motor control board Industrial equipment PCB for Milling machines Controller UPS Analytical Instruments Automatic door Burn-in board Electronic game machine Electronic game machine Electronic power terminal Energy System IC Test Load Board Massage machine Medical device POS system Power system Protection board for Power relay Refrigerator Robot Energy System
WN series WCAW series WG series WL series	Flat washer for insulation (nylon) Wrapping terminal for angle connected type Washer Wrapping terminal for THT	Medical device Motor control board Industrial equipment PCB for Milling machines Controller UPS Analytical Instruments Automatic door Burn-in board Electronic game machine Electronic gower terminal Energy System IC Test Load Board Massage machine Medical device POS system Power system Protection board for Power relay Refrigerator Robot Energy System Personal Care Device
WN series WCAW series WG series WL series	Flat washer for insulation (nylon) Wrapping terminal for angle connected type Washer Wrapping terminal for THT	Motor control board industrial equipment PCB for Milling machines Controller UPS Analytical Instruments Automatic door Burn-in board Electronic game machine Electronic game machine Electronic game machine Medical device POS system Protection board for Power relay Power system Protection board for Power relay Refrigerator Robot Energy System Personal Care Device Protection relay system Alarm
WN series WCAW series WG series WL series	Flat washer for insulation (nylon) Wrapping terminal for angle connected type Washer Wrapping terminal for THT Wrapping terminal for THT	Medical device Motor control board industrial equipment PCB for Milling machines Controller UPS Analytical Instruments Automatic door Burn-in board Electronic game machine Electronic power terminal Energy System IC Test Load Board Massage machine Medical device POS system Power system Protection board for Power relay Refrigerator Robotot Energy System Personal Care Device Protection relay system

Part#	Product name	Application
WLW series	Wraping terminal for THT	Al evaluation board
		Automotive (Turbocharger)
		Digital transmitter
		Electronic power terminal
		Energy System
		Power control board
		Power system Protection board for Power
		relay PROTECTION RELAY
		Semicon Test Equipment
WT series Te	Terminal for wiring	Amplifier System
		Control box
		PCBA
		PCBA for Automatic door for
		train platform Railways
		Semiconductor equipment
		SMT machine
		Switching power supply
WV series	Wraping terminal	Cable harness
WVA series	Vertical fitting mount	Semiconductor equipment
		Server
		Testing machine
WX series	Lever-type electric wire	Temperature Detection
	installation terminal	Controller
WXF series	Lever-type electric wire installation terminal (SMT type)	Hair dressing machine
XA series	Connector for PCB two-tiered	Automatic Train Control
		cable
		HDD
		Monitor connect board
XB series	Connector for PCB two-tiered	ATM banknote sensor
		cable CCD Moduel
		Computer Lens meter
		Fire Alarm
		Gas sensor
		HDD
		Learning machine
		Lens meter equipment
		Meter module
		Meter module Micro Controller
		Meter module
		Meter module Micro Controller Monitor connect board
		Meter module Micro Controller Monitor connect board PLC communication module
		Meter module Micro Controller Monitor connect board PLC communication module Portable music stereo
		Meter module Micro Controller Monitor connect board PLC communication module Portable music stereo POS system
		Meter module Micro Controller Monitor connect board PLC communication module Portable music stereo POS system Power control board Recorder Refrigeration and air
		Meter module Micro Controller Monitor connect board PLC communication module Portable music stereo POS system Power control board Recorder Refrigeration and air conditioning
		Meter module Micro Controller Monitor connect board PLC communication module Portable music stereo POS system Power control board Recorder Refrigeration and air conditioning Robot arm
		Meter module Micro Controller Monitor connect board PLC communication module Portable music stereo POS system Power control board Recorder Refrigeration and air conditioning Robot arm Sensor Equipment
		Meter module Micro Controller Monitor connect board PLC communication module Portable music stereo POS system Power control board Recorder Refrigeration and air conditioning Robot arm Sensor Equipment Tester
YS series	Conthrough socket	Meter module Micro Controller Monitor connect board PLC communication module Portable music stereo POS system Power control board Recorder Refrigeration and air conditioning Robot arm Sensor Equipment Tester Transducer
XS series XX series	Conthrough socket Jumper for printed board	Meter module Micro Controller Monitor connect board PLC communication module Portable music stereo POS system Power control board Recorder Refrigeration and air conditioning Robot arm Sensor Equipment Tester
	Conthrough socket Jumper for printed board	Meter module Micro Controller Monitor connect board PLC communication module Portable music stereo POS system Power control board Recorder Refrigeration and air conditioning Robot arm Sensor Equipment Tester Transducer Al evaluation board
		Meter module Micro Controller Monitor connect board PLC communication module Portable music stereo POS system Power control board Recorder Refrigeration and air conditioning Robot arm Sensor Equipment Tester Transducer Al evaluation board LED Module
